Elevating Etiquette

Questions for you!

1. **Number of Participants you'd like me to train/teach_____.**
(I prefer smaller groups for dining tutorials, but will consider larger groups, depending on the full event and situation!).
2. **Is this a business or a social group? (Spouses/Friends, etc.).**
_____.
3. **Tell me more about your participants, are they?**
 1. **Support Staff?_____**
 2. **Entry Level Staff?_____**
 3. **Middle Management?_____**
 4. **Upper Management?_____**
 5. **N/A - Friends/Fun group!_____**
4. **Are the participants ever involved in social business situations with clients or customers and if so, what capacity? If this is a social group, tell me if there is a reason for your gathering (wedding, upcoming or event)?**

- 5. Please provide a general job description of the participants. If this is more for social/fun, N/A is fine!:**

- 6. Within your organization, where do you feel interpersonal skills need to be improved? For social/fun gatherings, just N/A unless you have something you'd like me to know.**

- 7. What do you hope to accomplish from a dining tutorial course?**

- 8. What is the general attitude of the participants to this organization/group?**

Please feel free to use the last page of this document to provide additional information about your organization (or group) that you feel would be helpful in custom designing a program. Everything will be held in strict confidence. Thank you and I look forward to working with you!
